Letter no 461 C 25/48-49 & 67-48 from the Dy Commr, Hassan Dt, requesting that the minor & the Town mcpes may be permitted to incurran expenditure of Rs 125 & Rs 200/- respectively towards the lunch charges

The recommendation of the Dy Commr Hassan Dt to fix the lunch charges at Rs 125 & Rs 200/- in the case of the minor & the Town mcpes respectively appears that he wants to make a general rule in the case in all the mcpes

Submitted for orders whether the views of the Decs of other Dts may also be obtained in the matter

3) As many Municipal Councils are now asking for permission to incur this expenditure for lunch charges and if a general permission of the sort contemplated is granted Government hence will have taken the initiative in the matter and lunch charges will become an invariable item of expenditure in every Municipality immediately It may perhaps be desirable for some time longer to deal with requests for lunch charges as and when they arise

For 13/7/48

4 This is a new & avoidable item of expenditure If it is sanctioned in the case one will it will create a

precedent there has, however, to be stated that however - on this behalf is made to the prospect of there being cases of this kind from time to time like Dunkum where as the case it will not be easy to resist the request for warning cases in this direction. However it does not appear necessary to issue a general circular now to all the Justices acting in the State

The financial status of each Act varies largely as does the spirit of each Act and maybe awarded sparingly passed in each case as it arises

Sir,

Re charges for providing lunch in Municipal Meetings

I have the honour to state that charges are not being allowed for supply of lunch to the members of the council at the Municipal Meetings but some of the Municipal Councils have made some provision for this purpose in their budgets In Municipalities the meetings are generally held either in the mornings or in the evenings and it was represented to me by the Municipal Councils that some refreshment is necessary as the Councillors have to sit for a long time to transact business I request that sanction of Government may kindly be obtained to permit the incurring of an expenditure of Rs 125/- in the case of minor Municipalities and Rs 200/- in the case of Town Municipalities per annum towards lunch charges

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District

To The Dy Commr, Hassan Dt, 16/8/48

Sir,

With reference to your letter No Mel C 25/48-49 dt 6-7-48 on the matter of Govt making provision for lunch charges in the mk budgets, I am directed to ~~request you to~~ state that it is not clear whether the reference in question is based on the resolutions received from the several mk councils in this Dt or whether any one of them in this behalf. I am to add that each case will have to be considered on its own merits after taking into consideration the financial aspect of each mkt and for any case a resolution from each mkt is necessary for consideration by Govt. It is not therefore necessary to pass any such orders on the said ~~list~~ at present.

Yours faithfully
